

Vineland Public Library 2017 Summer Reading Program

For ages 12 and younger — All programs are free

Register now for Summer Programs

Construction, STREAM* learning and being a good citizen all tie into the Vineland Public Library's summer reading theme of "Build a Better World." The theme is part of the Collaborative Summer Reading Program.

Register for the library's Summer Reading Program in the Children's Department. Enjoy a variety of programs and track your child's reading.

Children's and teen programs are funded by The Friends of the Vineland Public Library, unless otherwise noted.

Summer reading helps children avoid the "Summer Slide," which means that children can lose 2-3 months of their reading skills during the summer. It is estimated that this "Summer Slide" accounts for as much as 85% of the reading achievement gap between lower income students and their middle- and upper-income peers. Teachers typically spend between 4 to 6 weeks re-teaching material students have forgotten over the summer. (From "10 Critical Facts about Summer Reading," <http://mediaroom.scholastic.com/files/10CriticalFactsaboutSummerReading.pdf>)

Please see the back of this newsletter for dates, times and descriptions of our programs for babies through age 12. **A separate newsletter is available for teens.**

Stop in at the library or call (856) 794-4244, ext. 4246 for details or to register. You may also register online beginning June 1 at www.vinelandlibrary.org/childrens

Read and Get a Free DVD rental

Children ages 3 to 12 who read five books and answer a few questions about the books can receive a free G or PG DVD rental from Four Star Video in Vineland. This promotion will run from July 10 to August 18. See Children's Dept. staff for details.

Family Nights

Family nights will be on Tuesdays this summer (see back). Seating will be on a first come, first served basis, unless otherwise noted.

Prize drawings will be held immediately after the Family Night program. Entries for prizes are available in the Children's Department beginning July 3 and immediately preceding each Family Night. Winners' names are randomly chosen and the prizes are books. Funding for the giveaway books is made possible by The Friends of the Vineland Public Library.

Keep Track of Your Summer Reading

Children who cannot attend reading groups may join our **Independent Reading Club**. Individual folders with the participants' names on them will be kept in the Children's Department from July 10 to August 19.

Each week participants will check their folders for activity sheets and take them home. They will also write down the titles of the books that they have been reading (or have had read to them) in the booklets provided. Participants' names and the number of books they have read will be posted in the Children's Department each week.

If you would like to log your child's books online instead of writing them in the booklog, please visit our webpage at www.vinelandlibrary.org/childrens beginning July 10.

Children registered for summer story times and reading clubs are automatically enrolled in the Independent Reading Club. [Click here to sign up for the Independent Reading Club if you're not registered for Story Time or any other Reading Club.](#)

Non-Perishable Food Drive

Let's Build a Better Community this summer! The Children's Department, in partnership with local philanthropist Alex Kaganzev, is collecting unexpired non-perishable food items for the Vineland Salvation Army. The child who brings in the most food items will receive a prize.

All donations will be accepted from July 10 to August 19. Please see separate flyer for details.
