

Solar Eclipse 2017

On August 21, a total eclipse of the sun will be visible in the continental United States for the first time in almost 40 years. While the total eclipse won't be visible from Vineland, we will be able to view a partial solar eclipse.

Come join us for programs celebrating this phenomenon.

These programs are for ALL AGES and will be held in the Community Event Room.

Registration is REQUIRED.

- **July 31, 6-7:30 p.m., South Jersey Astronomy Club Program** — Join the South Jersey Astronomy Club for a discussion about the eclipse and other astronomical events. [Register here for this event.](#)
- **August 14, 6-7 p.m., Solar Eclipse Cupcake Program** — Decorate cupcakes to celebrate the upcoming eclipse, or choose a different space-themed design. [Register here for this event.](#)
- **August 21, 2-3 p.m., Solar Eclipse Viewing Program** — It's the big day! Enjoy light refreshments and some eclipse activities before moving outside to view the eclipse. Eclipse viewing glasses will be provided so we may view the eclipse safely. The glasses are part of a NASA@ My Library Eclipse kit that was donated to the library from the Space Science Institute. [Register here for this event.](#)

Children ages 9 & younger must be accompanied by an adult at all times in the library.

Please register above or call (856) 794-4244, ext. 4246.
