## Learn a Language for Free!

Have you always wanted to learn Spanish, but didn't like your high school Spanish teacher? Do you want your 6-year-old to start learning Chinese? Are you going to be vacationing in France soon and need to know some basic French? The library's online service, Pronunciator, can help you, no matter your age, no matter whether you want to learn just a little or a lot of another language.

Pronunciator offers the opportunity to study 80 different languages (including English as a second language) in any of 50 languages. It includes up to 256 live, teacher-led conversation classes per week, up to 22 months of guided instruction per language, grammar textbooks, pronunciation analysis, flash cards, apps for your phone or mobile device, and much more. Preparation for the Naturalization test is also available through 100 videos with interactive exercises in the Citizenship section of Pronunciator.

Visit [vinelandlibrary.org](http://vinelandlibrary.org), and click on the Pronunciator link to get started. You will need your Vineland Public Library card to gain access to Pronunciator. Cards are available to Vineland residents, free of charge – just show photo ID and proof of residence (an up-to-date driver's license with your current address will do) at the front desk.

Take Your Child to the Library Day (TYCLD) is an international initiative that encourages families everywhere to take their children to their local library. Launched in 2011 in Connecticut by librarians Nadine Lipman (Waterford Public Library, retired) and Caitlin Augusta (Stratford Library) with artist Nancy Elizabeth Wallace, TYCLD raises community awareness about the importance of the library in the life of a child, and promotes library services and programs for children and families.

Parents/legal guardians are encouraged to get their child a library card. Adults must present a photo ID and proof of residency in the cities of Vineland, Millville or Bridgeton to apply for a free library card at the Vineland Public Library. Library card applications will be accepted until 4:30 p.m. that day.

# Beatrice's Book Review

Hello Readers!!!

What a treat it was for me to read *The Chosen* by Nora Roberts (FIC ROBERTS). It is the first book in her new series titled *Chronicles of the One*. If you remember my review of Nora Roberts' *Guardian's Trilogy*, I mentioned how similar it was to her *Circle Trilogy*, *Sign of Seven*, and *Cousin's O'Dwyer Trilogy*. Understandably, I was very apprehensive about reading *The Chosen* since she had disappointed me. Nevertheless, I decided to give her a second chance. I am so glad that I did! She has redeemed herself in my eyes. I felt she read my previous review and listened!

The basis of *The Chosen* is the end of the world as we know it. The good vs. evil theme is prevalent throughout the story, but there is an added twist of magic and mayhem. This is not a typical "Nora Roberts" book. It kept me engaged and interested, and character development was great. I am really looking forward to the next one. I hope she keeps the momentum going.

Happy Reading!  
Beatrice
